

NoMoreCaptchas Installation Guide

Installing NoMoreCaptchas is very simple. All you need is the plugin and a License Key. Here's how you do it:

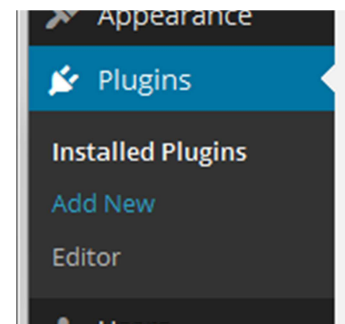

Step 1: Download

Go to NoMoreCaptchas.com or the Wordpress.org plugin store and download the NoMoreCaptchas plugin.

Step2: Add New Plugin

Go to your website's WordPress Dashboard and click on Plugins> Add New

Step 3: Upload & Install

Select Upload, then Browse. Navigate to where you saved the NoMoreCaptchas plugin. Select the plugin package (the complete ZIP file) and click on Open.

Click on Install Now and Wordpress will automatically install the plugin. Click on Activate and you're almost done.

Step 4: Activate

Once WordPress has successfully installed the NoMoreCaptchas plugin, click on Activate. You will then automatically be redirected to the plugin page.

Step 5: Register

In order to use NoMoreCaptchas, you need a license key so we can validate your site's protection. To get one, you have to [register on NoMoreCaptchas.com](http://www.NoMoreCaptchas.com/register). Visit [NoMoreCaptchas.com/register](http://www.NoMoreCaptchas.com/register) and fill out the form.

Note: Be sure to include the http://:www. in your URL!

Then, click on Generate License Key. Your Key will appear on the screen. Copy it directly from the page to your Settings page (see Step 6).
